*****There Will Be Limited Entries Both Days***
As detailed on next page**

Certification

The Genesee Region Newfoundland Club has been granted permission to hold this Water Testing by the Working Dog Committee of the Newfoundland Club of America in accordance with the Newfoundland Club of America Water Test Regulations copyright 1999, updated March 2018.

*****Limited Entries Both Days*****

There will be WRDX, WD and WRD testing in that order on Saturday & Sunday. The Entries are limited to 20 dogs per day with a minimum of 5 entries per day. 5 entries are reserved for WRDX entries. If the WRDX positions do not fill, they will be filled with WD or WRD entries. Priority will be given to entries that have not earned titles in the division entered.

You may use the **NCA Online Entry System at <https://www.ncanewfs.org/wdc>**. OR mail entries to: Shannon Bozeat, GRNC Water Test Secretary, 10525 Spook Woods Road, Port Byron, NY 13140. All entries will be acknowledged at least 10 days prior to the test.

NCA member entries will be accepted online or by USPS mail with a legible postmark no earlier than **July 27, 2021 at 9 am EST**.

Non-NCA member entries will be accepted online or by USPS mail with a legible postmark no earlier **August 6, 2021 at 9 am EST**.

Entries close on **September 3, 2021 at 11:59 pm EST** at the Test Secretary's home after which time entries cannot be accepted, cancelled, substituted, or altered except as described in the NCA Water Test Regulations.

There will be no testing for other breeds offered at these tests.

Entry Fees: There is an entry fee of \$45.00 per dog per test entered.

Entries submitted electronically will be assigned a postmark with the same date the entry is entered. Entries submitted by mail will be assigned the postmark given as per usual. Entries submitted electronically and via post will be considered equally in date order for slots in the test. NCA members will have the same early-entry window with both paper entry and electronic entry. If you are not a member of the NCA you will be prompted to provide the same contact information that you would provide on a paper entry once entries are open to non-NCA members. You will be prompted to enter or verify your dog's information and you will have the opportunity to upload an image of your dog's registration certificate. Please have an electronic version of your dog's registration form ready for upload before you begin the online entry process. If you experience problems using the online entry system, please contact Dan Zimmerman at dan@dogfishsoftware.com

The available entry slots will be filled according to the postmark date. If the number of entries with the same date exceeds the number of available slots, a drawing will take place to fill the vacancies and determine the alternates. The method for determining alternates and entry refund procedure is specified in Chapter I, Section 12 of the Water Test Rules.

Entries received after the entry limit has been reached and before the closing date will be placed on an alternate list in order of postmark. Alternates will be determined as specified in the NCA policy on handling entries, refunds and alternates listed in section 12 entry limitation. Alternates will be notified immediately should an opening occur.

The standard NCA entry form is attached. Please use a separate entry form for each test that you are entering. In accordance with NCA's updated regulations, please indicate NCA membership of all co-owners or the handler on the entry form.

Dogs qualifying in the Junior Division may post enter for a \$15.00 fee

Make checks payable to GRNC and mail to:
Shannon Bozeat, Test Secretary, 10525 Spook Woods Road, Port Byron, NY 13140

******* NCA members are granted a 10-day early entry as a benefit of their membership in NCA. To take

advantage of the early entry rule, if the dog is co-owned, then either all co-owners of the dog must be NCA members OR the handler must be an NCA member.

Exhibitors Note: Each exhibitor is responsible for knowledge of the official NCA Regulations governing a water test and the applicable standards of performance. A copy of the official Water Test Regulations may be downloaded from the NCA website at: www.ncanewfs.org

Equipment: Each exhibitor is responsible for providing his/her own water test equipment, including a U.S. Coast Guard approved personal flotation device and suitable foot protection to be worn in the water.

Eligibility: This test is open only to purebred Newfoundland dogs (of either sex) that are at least 6 months of age on the date of the test. All entered dogs must have an AKC registration number, ILP or PAL number, or foreign registration number.

Alternates and Refunds: If an entrant submits an entry to a water test but is not assigned a place in the test, the test secretary must notify the entrant immediately after the closing date and give the entrant the option to be placed on the alternate list. If the entrant chooses not to be on the alternate list, they will receive a full refund. If the entrant chooses to stay on the alternate list but later pulls their entry after the test closing date, they will not receive a refund. Entrants placed on an alternate list will receive a full refund if they do not get into the test on test day.

Should an entrant have two dogs entered and one dog is on the alternate list, the entrant cannot substitute the alternate entry for the regular entry. If the entrant must pull the entered dog, then the first dog on the alternate list will fill the opening.

Withdrawing Entries: To withdraw an entry, the entrant must notify the Test Secretary by telephone, email, or U.S. Mail. **Do this as soon as possible.** The Test Secretary must confirm receipt of such notification. The entrant will receive a full refund of the entry fee if the notification is received prior to the closing date and time for entries. The closing date for entries and making any changes to entries is **September 3, 2021 at 11:59 pm EST** at the Test Secretary's home.

Bitches in Season: Bitches in season may participate in NCA Water Tests. Bitches in season will be kept out of the test area and away from all other dogs until called for by the judges. Bitches in season shall be judged at the conclusion of judging for that day. When Junior, Senior and Excellent Division entries are judged on the same day, any bitches in season shall be judged after regular judging for all divisions has been completed, including post entries. Bitches in season will be judged in the order that their divisions were judged earlier in the day. This applies to two (2) day tests which are held back to back as well.

Bitches that have had an ovarian sparing spay are required to be tested as "Bitches in Season".

Please inform the Test Secretary as soon as possible if you know you will be bringing a bitch in season, or one with an ovarian sparing spay to the test.

Practice: There will be no practicing allowed in the test area at any time.

Trophies: Each qualifying dog will receive a trophy as selected by the Water Test Committee. Each entrant will receive a hospitality gift.

Veterinary Services: Cornell University Hospital for Animals Emergency Services 930 Campus Rd. Ithaca, NY Phone: 607-253-3060. Emergency services available 24 hours a day, every day.

Test Site: The Water Test is at Camp Barton on the West Shores of Cayuga Lake. The site consists of a large lake with a soft shale beach which continues into the water beyond swimming depth. The average Newfoundland is swimming about 20 feet from the shoreline dependent upon seasonal water level. Wind and wave action can result in choppy water. There is ample shade and parking with a nice view of the test site. Restrooms include a porta john just off the beach, a running water facility is available marked on map below. Hospitality is Northwest 500 feet of the test site in a pavilion. There is parking 550 feet west of test site. You will be able to unload your crates at the site, and some handicap parking is available. **Please notify the Test Secretary what provisions you will need.** All others will park near the restrooms and walk down to the test site. There is a shaded lawn next to the Site where you can set up crates. **A Safety Officer shall be notified on the locations of all dogs attending the event!**

Unentered Dogs and Spectators: Spectators will be welcomed this year if a signed waiver (included here and available at the test site) is given to the Test Secretary upon arrival. Unentered dogs will be allowed but must be confined away from the test area during testing hours.

Safety Observances: Dogs must be crated or on leash at all times. When on leash, the length of the leash must not exceed SIX feet and may NOT be a retractable leash. When on leash dogs must be under control at all times. Dogs showing uncontrolled or aggressive behavior will be asked by the event chair, a board member, Safety Officer or other official to leave the site promptly or be crated for the duration of the test.

Waiver of Rights -- Animals in Distress: The Newfoundland Club of America, Inc, and the regional club hosting this event reserves the right to remove any animal in distress from a parked vehicle or crate, and all persons attending this dog event hereby waives any claim for damages against the Club for such removal. The NCA regards the health, safety, and life of any dog on the event grounds to be paramount to other property or privacy rights. If the owner cannot be found in a timely manner, we will take whatever action is necessary for the safety of the dog, which may include breaking windows to enter a vehicle. Dogs found in an unsafe environment, distress, or in harm's way (for example, left in a vehicle without proper ventilation) will be removed to safety. Exposing a dog to an unsafe environment, distress, or harm's way is considered mistreatment and subject to appropriate discipline.

NCA Policy on Dog Aggression *Please police dogs carefully*

"Any dog that in the opinion of the Event Committee, attacks a person or a dog at an NCA working event, resulting in an injury, and is believed by that Event Committee to present a hazard to persons or other dogs, shall be disqualified. When the Event Committee pursuant to this section disqualifies the dog, a report shall be filed with the NCA Board. The disqualified dog may not again compete at any NCA working event, nor be on the grounds of an NCA working event unless and until, following application for reinstatement by the owner to the NCA Board, the owner receives official notification in writing from the NCA Board that the dog's eligibility has been reinstated."

Photography Release: Use of images and publishing of results

By entering this event, you hereby give your consent to publish and/or alter any and all photos and/or videos (hereby referred to as Images) taken of you or your dog(s) that are present during this event, whether they are entered as exhibitors or not, and you agree to waive any claim, action, lawsuit and further agree to indemnify and hold NCA, the host club, and any Judge harmless from claims, actions or lawsuit resulting from the use of these images and your participation in this event. Results of the event, whether dogs passed or failed, the names of dogs, the names of handlers, the names of owners, and/or the names of breeders may also be published. Use of and publishing may be in any printed format, including but not limited to, email, websites, and/or social media.

The NCA Water Tests are a series of exercises designed to develop and demonstrate the abilities of the purebred Newfoundland Dogs in an aquatic environment. The Newfoundland has historically functioned as a working companion to its owner, and members of the breed have participated in many heroic rescues. Performance of these exercises is intended as a demonstration of skills developed through both natural ability and training rather than a competition between dogs or handlers. The emphasis in the Water Tests is on teamwork between dog and handler in realistic work and rescue situations. Efficiency in accomplishment of tasks is essential; however, it is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.

In consideration of the acceptance of this entry and of the holding of this event and of the opportunity to have the dog judged and to win ribbons or trophies, I (we) agree to hold this club, its members, directors, governors, officers, agents, superintendents, or test secretary and the owner or lessor of the premises or grounds and the employees of the aforementioned parties, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or upon the test premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for such claim; and I (we) further agree to hold the aforementioned parties harmless from any claim or loss of the dog by disappearance, theft, damage or injury, be caused or alleged to be caused by the negligence of the club or any of the parties aforementioned, or by the negligence of any other person or any other causes. I (we) agree that any violation of the AKC Code of Sportsmanship, the NCA Code of Ethics and/or the Judges Code of Ethics will be handled pursuant to the Grievance policies listed on the NCA website. I (we) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, including death at any time, resulting therefrom, sustained by any person or persons, including myself (ourselves) or on account of damage to property, or my vehicle arising out of or in consequence of my (our) participation in this test, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or may be alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or other persons.

I agree to grant to this club, and its authorized representatives permission to record on photography film and/or video, pictures of my participation. I further agree that any or all of the material photographed may be used, in any form, as part of any future publications, brochure, or other printed materials used to promote NCA or the regional club, and further that such use shall be without payment of fees, royalties, special credit or other compensation.

The Newfoundland Club of America, this regional club, its members, directors, governors, officers, agents, superintendents, test committee, reserves the right to remove any animal in distress from a parked car or crate, and all persons attending this dog event hereby waive any claim for damages against the club for such removal. I understand that exposing a dog to an unsafe environment, distress, or harm's way is considered mistreatment and subject to appropriate discipline.
